

# MONDAY SPEAKERS CORNER

**NANCY KLYM / BEV MASON**

## GETTING OFF TO A GOOD START

Geared to the Newcomer to Bridge, Nancy and Bev will focus on Opening Leads. Opening leads are one of the hardest aspects in bridge and you must make your decision without seeing the Dummy, based solely on the information from your hand and the bidding auction. The presentation will focus on specific hands and will lead into a discussion of the best lead given the information at hand.

6:00 P.M. (PLAYING SITE B)
