

FRIDAY SPEAKERS CORNER

GORDON CAMPBELL

 **QUESTIONS** &

 **ANSWERS**

Geared towards "non-experts", Gordon's 'Questions and Answers' session will review 'troublesome hands' you encountered during the week. Using a whiteboard, Gordon will post the hand and help you determine what you could have or should have done. (Please submit a hand record 'with circled hand' in the box available at the Hospitality Desk.)

Session starts at 5:30 p.m. - Bar open. We are not supplying dinner but we are serving "Wings" and other "Good Things". Have a drink, some snacks and sit back to learn from an expert.
