299er FALL SECTIONAL REPORT

SATURDAY, OCTOBER 24th, 2026

Highlights

On Saturday, October 24, 2026, the annual Unit 390 Fall 299er Sectional was held at the Calgary Bridge Centre. As the name suggests, the tournament was specifically for players with under 300 masterpoints and, for some, this was their first venture beyond the club game.

These events have grown so much over the past couple of years that, these days, both levels of the Bridge Centre are required to accommodate the crowd. The 299er games were held in the upper playing area, while separate 49er games were held on the lower level.

Earlier in the week, Mother Nature had threatened to put a damper on the party but attendance numbers held strong. There were 20 tables in the morning and 15 tables for the afternoon session.

Clarende Duby, ACBL Adjunct Director, headed up the directing team and she handled the 299er games. John Prance served as Assistant Director, managing the 49er games downstairs.

Sylvia Nazar, incoming Future Masters Chair for Unit 390, credits the success of the tournament to the efforts of numerous volunteers who helped with everything from the planning and preparation to table set-up and take-down on the lower to clean up at the end of the day. These volunteers deserve our appreciation … thank you!

Lastly, thank you to all the 299er players who attended this event. New players are crucial to the continued health and growth of bridge in our community.
