

SUPERVISED BID 'N PLAY

Sponsored by Unit 390 and Calgary Bridge Centre

**Supervised Bid 'n Play sessions will continue indefinitely.
THURSDAYS ONLY.**

Supervised Bid & Play is for those who have taken lessons and need to practice what they have been taught, for those who have been away from playing bridge for awhile and need a refresher and for those who just want to practice their skills. No partner? No problem! Just come out – players will be made available. Bid & Play is ideal for practicing in a friendly F2F environment where experienced bridge players are available to help you with bidding, play and defense. You will meet new friends, new partners, and gain confidence in your abilities. You play at your own speed, talk amongst yourselves, consult your own notes, ask for help and – most importantly – just have fun while improving your bridge skills.
