Th resignation of Ed Jamieson was reluctantly accepted. Ed has been our treasurer for the past several years and he only knows one way to do a job . . . WELL. Ed feels his health no longer allows him to do this and we say **THANK YOU ED!**

BITS & BOBS

It was great to chat with Subhash Gupta again at the Regional. You will recall Subhash left us to go back to India in October '86, primarily to be with his family. On that subject, there was bad news in that his father passed away last year.

Subhash, an Industrial Engineer by profession, is presently heavily involved in two innovative manufacturing projects that will shortly be grossing a revenue of over 100 million/year.

Subhash has restricted his bridge playing during the past two years and tends to play in tournaments only. He won't be eligible for the Indian National Team until 1989 but you can be sure he'll be on it when the time comes.

Subhash says 'Hi' to all his friends.

It is with deep regret we report the death of SOLANGE MICHAUD. Solange was a well-known, well-liked and well-respected bridge player who will be fondly remembered and sadly missed. Our deepest sympathy is extended to Bernie.

Congratulations are extended to SHARON DALTON on the birth of her baby.

Congratulations to our most recent Life Masters – Fran Metherall, Helga Silgalis, Joy Saville and Dann Kramer.
