

THE KIBITZER

A.C.B.L. UNIT 390 CALGARY

FEBRUARY 1995

FROM THE UNIT BOARD

Here we are into 1995. Where does the time go? Our decision to change the location of the Sectional Tournaments to the Polish Canadian Club was well received by the majority of players. As is the case when you first attempt a change, there were some minor emergencies that arose. We were able to deal with them with the kind attention of the staff at the Polish Canadian Club. We have received some very good recommendations from those attending the event. These will be implemented for the next tournament. The March Sectional (March 10-12) will be held at the same location.

Your executive has decided to hold the election for new officers of Unit 390 at the March Sectional Tournament. With this in mind, we propose to have a fun party on the Friday night following the game. We would urge all of you to stay and be part of the event. We promise you a good time with great entertainment. Some old, familiar faces have been missing lately. Your executive would like to make a formal request that you come out and join us for old time's sake.

We propose to hold the Annual General Meeting between sessions on Sunday, March 12. The voting will occur at the tournament. If you cannot attend you may cast your ballot at either the Martinique, Canmar, or Bow River Bridge Clubs.

HAVE A GREAT 1995.

Your President,
Gordon Moir

**UNIT 390
BOARD OF DIRECTORS
1995 ELECTION SLATE**

The following people have allowed their names to stand for election to the Unit 390 Board of Directors:

**Daniel Bertrand
Keith Falkenberg
Stephane McAdam
Rick Stevens**

Mr. Bertrand is a Bronze Life Master and has previously served on the Unit Board as Special Events Coordinator. He has had considerable recent success as a player in District 18 and CBF Zone 5 competition. He recently represented Zone 5 in the CNTC National Finals in Halifax.

Mr. Falconberg is a Life Master who has served on a number of volunteer boards in the Calgary area.

Ms. McAdam is a Life Master who is presently on the Unit Board as Tournament Chairperson.

Mr. Stevens is a Sectional Master who, though a recent convert to duplicate bridge, has shown a keen interest in the game.

Brenda Murchison, Chairperson of the Nomination Committee, made considerable effort in trying to solicit nominations from all segments of the bridge community in Calgary. Unfortunately, she feels that certain sectors are not represented in the above list, and she urges anyone who wishes to let their name stand for election to the Unit Board of Directors to please submit their names to her as soon as possible so that their names can be added to the above slate, and their views can be heard on the Unit Board. Nominations of this type will be accepted until February 20, 1995. Please call Brenda at 288-8828.

JANUARY 1995 SECTIONAL - Report by Dave Christison, Unit Treasurer

The recently concluded sectional experienced a reduction of sixteen tables from the comparable tournament in January 1994. Due to increased playing fees, the net profit from the tournament increased from \$450 to approximately \$600. Although non-novice attendance declined by 22 tables, it was encouraging to note an increase in future master participation. I am sure that we all realize that the future for bridge in Calgary depends to a large extent on attracting new players to the game. Your Unit Board is working hard with various clubs to foster this growth.

In order to provide the hospitality at tournaments for which Calgary is noted, and to carry on the various programs approved by the Unit Board, your continued support of these tournaments is urgently required. Come out in March!

TOURNAMENT UPDATE - Report by Stephanie McAdam, Tournament Chairperson

Our new location at the Polish Canadian Cultural Centre was very well received by the vast majority of participants at the January Sectional. It seems to be an acceptable compromise for both smokers and non-smokers. The directors were pleased with the facility and it was great to have everyone play in the same room. For the March 10-12 Sectional, we have rectified a few details which should result in an even more enjoyable time for all. We now have access to six additional washrooms which will be designated for non-smokers. The buffet between sessions on Sunday will feature dessert as well as traditional Polish cabbage rolls and perogies. We will NOT be locked out on Sunday morning (I promise!) and there will be lots of that good Polish beer for sale. The CNTC Zone Finals will be held in conjunction with the Sectional so there should be lots of good bridge for the whole weekend. SEE YOU ALL THERE!
