

THE KIBITZER

SEPTEMBER 1998

NOTES FROM THE UNIT BOARD

by Keith Falkenberg

It seems like old news already as we have already had 3 unit board meetings since the annual meeting in early May, but the new officers and functions of the unit board are as follows:

President - Keith Falkenberg
Vice-president and Special Events - Dave Horton
Secretary and Memberships - Joan Garland
Treasurer - Dave Christison
Tournaments - Joy Saville
Club Liaison and Assistant for Tournaments - Greg Bedard
Future Masters - Maggie Rogers
Caddy Master - Bruce Mottle

In addition, the following individuals, though not on the Unit Board, have graciously continued to volunteer their time:

Recorder - Gordon Campbell
Kibitzer - Dan Bertrand

We are looking for a volunteer to serve as a standing chair of the Unit's Conduct and Ethics Committee. Help is always appreciated for a variety of jobs from helping with novice development, phoning, tournament setup and takedown, etc. Please feel free to phone any of the Board members if you can spare some time.

Plans for the next year include an investigation of fundraising possibilities including the possible setup of a society entity for the Unit. We are looking at ideas for new player development including teaching programs and Future Masters tournaments and events. The Board is also exploring some ideas for promoting duplicate bridge in general in Calgary and area and in particular, for publicizing our tournaments.

One issue which will have to be considered this year is whether the Calgary Unit should adopt a 'zero tolerance' policy for its sectional tournaments. Zero tolerance is now in effect at the NABC's and it has been adopted as official policy at upcoming District 18 Regionals. Units in District 18 have been urged to consider adopting this policy. I would be interested in hearing your views on this matter and urge you to talk to me or any of the Unit Board members.

I hope to see you all at the Fall Sectional on September 11-13 and the Banff Sectional on November 6-8. We look forward to good turnouts and lots of fun!

STANDING ON THE PRECIPICE

by Nicholas Gartaganis

In bridge, it is an accepted truth that when a partnership bids too much, failure is inevitable unless declarer plays the hand with such skill that all bad bids are forgiven. On the hand below, you reach Five Hearts after your non-vulnerable right hand opponent opens One spade and there is a preemptive raise by LHO to Three Spades. The lead is the Two of Spades.

Contract: 5 Hearts
Lead: 2 of Spades
Auction: Optimistic

NORTH

♠ T43
♥ 98542
♦ 542
♣ Q2

SOUTH

♠ J
♥ AKJT3
♦ AKT9
♣ AJ9

With a normal 2-1 break in the trump suit, the hand has the potential for twelve tricks. Just pull two rounds of trumps, cross to the dummy with a third round of trumps and lead the Queen of Clubs. Assuming the King of Clubs is on your right, twelve tricks come home any time the Club Ten starts out doubleton (with the King or not) or the QJ of Diamonds are doubleton.

The play proceeds. RHO wins the King of Spades at trick one and leads the Ace of Spades. You ruff and lead the Ace of Hearts. To your dismay, LHO discards a small Spade! Just moments ago twelve tricks seemed possible and now your five level contract looks to be in dire jeopardy. What are your options?

Obviously, if the QJ of Diamonds are doubleton any line of play rates to succeed. You know the Queen of trumps is onside and the King of Clubs rates to be onside as well. The key is to force an entry to dummy, either in Clubs to take the trump finesse or in trumps to take the Club finesse. But what if the QJ of Diamonds are not doubleton? You need to be able to get rid of one of dummy's Diamonds to make your contract.

Option #1 is to lead a Club towards the Queen. If LHO has the King, the Queen of Clubs will become an entry to finesse against the trump Queen and the Ace of Clubs will take care of one of dummy's diamonds.

Option #2 is to lead the Jack of Hearts at trick three and let RHO win a trump trick. Ruff the expected Spade return (or win a Diamond return) and use a small Heart to simultaneously pull the last trump and enter dummy. Now lead the Queen of Clubs for the finesse. This line wins when the King of Clubs is onside and the Ten of Clubs is doubleton. But did you remember to ruff the second spade with the J or T of Hearts??

Fortunately, there is a much better line of play than either of these options. *Lead the Jack of Clubs from your hand at trick three.*

You do not care who has the King of Clubs—eleven tricks are almost guaranteed! If either opponent wins the King of Clubs, the Queen of Clubs becomes an entry to take the known trump finesse and the Ace of Clubs lets you discard dummy's third Diamond. If the Jack of Clubs wins, ruff the third round of Clubs in dummy and take the trump finesse—you can afford to lose a Diamond trick! There's just one small glitch. If RHO holds Kx of Clubs and is good enough to refuse to win the Jack of Clubs, you will fail to make Five Hearts. When you try to ruff the third round of Clubs, RHO will overruff and you will still have a Diamond to lose. Should this happen, you will have learned a valuable lesson — play in an easier game or don't overbid against strong opposition!

ON THE LIGHTER SIDE

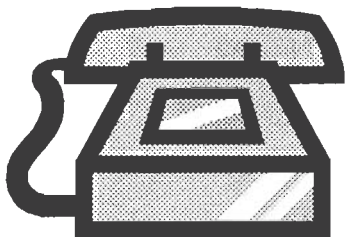

At a recent out of town tournament, a couple of Singles were introduced at the Membership Desk. Sparks soon began to fly on and off the bridge table. After a successful evening session, as the entwined pair were walking back to his hotel room they heard a loud "ALERT". When she asked for an explanation His Ex Wife said: "It could be short".

FUTURE MASTERS TOURNAMENTS

There will be two Future Masters Tournaments in the next few months. One will be during Thanksgiving and the other one in the Spring. Please contact Joy Saville, the Bow River Bridge Club, or the Martinique Bridge Club for more information.

PHONE LIST

The new phone list will be available soon. You will be able to pick it up from one of the main clubs and at the September Sectional. Or, if you prefer you can phone Keith Falkenberg at 275-8274 and have it mailed to you.

BEST WISHES

Best Wishes to Joan Garland and Dann Kramer who have been injured in recent accidents. Dann was involved in a car crash. After several months, we are pleased to report that he is on the road to recovery. Joan fell from a bleacher at Spruce Meadows. She is recovering from her injuries. We wish them the best.

TEWARICK

by Rick Tewari

There were two elephants
Harry and Simone,
Played bridge together
and always won.
I saw their system
watched them play,
Found nothing unusual
which I can say.
Curiosity killed the cat;
was killing me too,
I called them again and
begged for a clue.
Harry shrugged
but Simone did tell,
‘We hold long ‘trunk’ and sniff very well”

SPECIAL EVENTS

by Dave Horton

North American Open Pair qualifiers have been held at the clubs over the summer. The Unit final will be held on September 27th at the Martinique Bridge Club. The top half of each field (A, B, and C) will qualify for the District Final to be held on October 31st in Great Falls, Montana. The top two pairs of each flight in the District Final will be reimbursed for air fare and accommodation for the Spring National in Vancouver. If you qualified for the Unit Final, I hope to see you there.

Canadian National Teams qualifying will occur soon. The Zone Final will be held in Calgary next spring. This is a great opportunity to play against some of the better teams in Western Canada, and since the Zone Final will be in Calgary, we should get an additional team allotment. Get your team together and check with your clubs for club qualifiers.

DAVE SUTHERLAND LIBRARY

by Dave Horton

The Unit has also opened the Dave Sutherland Collection. This is a collection of bridge books available for loan to all Unit members on a one month basis. The library is located at the Martinique Bridge Studio, and administered by Unit Board members. If you are interested in borrowing a book, call one of the Board members to find out when they will be at the club. The Martinique Bridge Studio was kind enough to donate the space for the Library, but does not administer it.
