Eligibility for limited events is based on the masterpoint total for the highest player. For all eligible pairs/teams, stratification is based on averaging the masterpoints of a pair or team.

Stratification for open regional events is unlimited/2500/750 unless otherwise noted. Stratification for gold rush events is 750/400/200 unless otherwise noted.

For all events with an upper masterpoint limit, no player over that limit is eligible.

Regional top-flight, mid-flight and open pair events play 26 or 27 boards per session. Gold Rush and side pairs play 24 boards per session. Swiss and Round Robin team events typically play 24 boards per session, depending on the event or bracket size.

In gold-point events of two or more sessions, overall awards and section tops are paid in gold to any strat that has a maximum of 750 or higher. Side Pairs Series pay gold only to the open strat, and it is necessary to play two or more sessions in the series to earn gold.

All regional team events use the 20-point VP scale.

I/N events are stratified as appropriate at the discretion of the director. No player may be over 300. Members with 0-5 masterpoints play free in I/N events on Friday, July 25.

**Additional \$4 per player per session benefits the ACBL Educational Foundation.

***Contingent entries allowed: May withdraw pending qualification in another event.
